

# HOT Equipment List

## Digital Printing Systems:

- 1 Kodak NexPress SX3300 color digital press with 5th imaging head for dimensional printing, inline coating, high-gloss coater, white and gold inks, up to 14" x 39" sheet
- 1 Xeikon 9800/GM Finisher digital press with inline laminating and die-cutting
- 1 Konica Minolta Digital Printer
- 1 i-Jet 4-c & Variable Envelope Printer

## Sheetfed Offset Presses:

- 1 Komori 5-color UV plus coater, 28" x 40"
- 1 Heidelberg SM74 10-color 20" x 28" perfecter
- 2 Heidelberg QM-46 2-color, 13 3/8" x 18 1/8"

## Didde Web Press:

- 1 6-color perfecting, 11" cut-off roll to sheet (forms press-light coverage-uncoated stock)

## CTP Platesetters:

- 1 Agfa Avalon CTP metal platesetter with in-line processor
- 1 Kodak Trendsetter metal process-less platemaker

## Wide Format Printing:

- 1 HP DesignJet 500 - up to 60" maximum width roll media
- 1 EFI Pro16h LED UV hybrid inkjet printer for flexible and rigid substrates
- 1 Epson 9900 - 44" maximum width roll media

## Lamination:

- 1 26" Sheetfed D+K Lamination System with Foil Sleeking capabilities
- 1 Seal Poster Laminator - up to 60" wide for finishing large format images on a variety of substrates
- 1 Pouch Laminator - up to 11" x 17" sheetfed

## Paper Scoring, Perfin, Folding and Cutting Equipment:

- 1 Bograma die-cutter
- 1 Morgana digital creaser/scorer
- 2 Polar 45" paper cutter
- 1 Perfect 45" paper cutter
- 2 Polar 36" paper cutter
- 1 HHS Hot/Cold Melt Glue System
- 2 Stahl 6-pocket collator-stitcher-trimmer
- 3 MBO & Stahl folders with right angle and gate fold 25x40 max
- 1 Standard 10-bin bookletmaker
- 1 Duplo Square-Bind Bookbinder
- 1 Horizon BQ-270 Perfect Binder with 3 Knife Trimmer
- 1 GBC Doublewire & Coil Punch
- 1 RenWrap 16" wide Shrinkwrapper

## Envelope Manufacturing/Converting Equipment

- 2 FLSmitheRA/WA 800: high speed converting and in-line 2/1 flexo printing
- 4 W&D 102: high speed converting and in-line 2/1 flexo printing
- 4 W&D 202: high speed converting and inline 2/1 flexo printing

## Halm Envelope Jet Presses:

- 1 5-color perfecting (4/1), UV inks
- 1 4-color non-perfecting
- 2 6-inch cylinder, 2-color perfecting
- 6 3-inch cylinder, 2-color perfecting
- 4 3-inch cylinder 1-color perfecting
- 14 Total Jet Presses (litho printing)

## Envelope Latexing:

- 1 Cheetah high-speed latex unit (makes any envelope "press & seal" or "peel & seal")

## Scanners:

- 1 Epson Perfection V300 photo digital scanner

## Additional Services:

- Design/Artwork: Full suite of graphic design software & equipment
- Promotional Products: ASI certified
- Branded Apparel: imprint & embroidered
- Warehousing, Kitting & Fulfillment
- Project Management/Logistics
- Signs & Display Hardware
